D. The director shall issue a license only upon presentation of a certificate of vaccination indicating therein that the date of expiration of the vaccination immunity is not earlier than the date of expiration of the license being issued or renewed, and upon payment of the applicable license fee specified in subsection F of this section; provided, however, that where the vaccinated dog is between the ages of four months and twelve (12) months, the period of vaccination immunity required for licensing shall be as specified in Title 17, California Administrative Code, Section 2606.4.

E. Notwithstanding the provisions of subsections B and D of this section, in the event a dog has a short-term illness, is pregnant, or suffers from a long-term debilitating illness which in the opinion of a veterinarian contraindicates vaccination for rabies, such dog shall not be required to undergo vaccination during the period of such illness or pregnancy where a request for vaccination deferral has been approved by the director. Such request shall specify the duration of the requested deferral, the reason for the requested deferral, and shall be signed by a veterinarian. The director shall issue a license for such dog upon approval of the request for vaccination deferral and payment for the applicable license fee specified in subsection F of this section. The owner or person having custody of such dog shall confine and shall keep such dog confined, for the duration of the deferral. Within fourteen (14) days after the expiration of the deferral, the owner or person having custody of such dog shall present to the director a certificate of vaccination in accordance with the provisions of subsection D of this section.

However this provision does not remove the owner's responsibility to vaccinate the dogs against rabies and attach a current license tag to the dog's collar. Whenever a person applies for an assistance dog identification tag, the person shall sign an affidavit as defined in California Food and Agriculture Code, Section 30850(b).

H. No fee shall be required for a license for any dog owned by a public entity.

I. Each license specified in this section shall be valid for the period specified in this section and shall be renewed within thirty (30) days after such period terminates, except that where the current vaccination for the dog which is the subject of the license shall expire prior to the expiration date of the license being applied for, the director may upon request of the owner or custodian of such dog, backdate such license so that its expiration date occurs concurrent with or prior to the expiration date of the vaccination; provided, however, that where such backdating is performed, there shall be no reduction or discount of the license fee applicable to the license applied for, and such license shall be renewed within thirty (30) days after the date of its expiration.

J. If an application for a license is made more than thirty (30) days after the date a dog license is required under this chapter, the applicant shall pay, in addition to the applicable license fee, a late fee of twenty dollars (\$20.00). A late fee for an altered dog owned by a senior citizen is established at fifteen dollars (\$15.00).

K. Whenever a dog validly licensed under this chapter shall have died more than three months before the expiration date of the license, the owner of such dog may return the license tag to the director, accompanied by a statement signed by a veterinarian or a declaration signed under penalty of perjury by the owner, indicating that such dog is dead and specifying the date of death. In such event, the license shall be canceled and a pro-rata credit of the license fee by full calendar quarters of the original license period remaining after the death of the dog may be applied during said remaining period to the license fee for another dog acquired by the same owner.

L. Upon transfer of ownership of any dog validly licensed under this chapter, the new owner shall notify the director of such transfer within thirty (30) days of such transfer, on a form prescribed by the director, accompanied by a transfer fee of six dollars (\$6.00).

M. Notwithstanding the provisions of subsection A of this section, where a person moves into the unincorporated area of the county from another community who owns a dog which is currently vaccinated against rabies and for which dog a license was issued by

such other community, such license shall be deemed valid for a period of one year from the date such person moves into the unincorporated area of the county or on the date of expiration of the license issued by such other community, whichever is earlier. If an application for a license from the director is made more than thirty (30) days after such license is required, the applicant shall pay, in addition to the applicable license fee, a late fee of twenty dollars (\$20.00).

N. If a valid license tag is lost or destroyed, a duplicate thereof may be procured from the director upon submission to the director of a statement signed by the owner of the dog containing the date and circumstances of such loss or destruction and the payment of a fee of six dollars (\$6.00).

O. Upon request of the director, any owner of a dog for which a license is required under the provisions of this chapter shall present to the director a currently valid certificate of rabies vaccination or license tag.

P. It is unlawful for any person to make use of a stolen, counterfeit or unauthorized license, tag, certificate or any other document or thing for the purpose of evading the provisions of this chapter. (Ord. 630.11 § 3 (part), 2008; Ord. 630.10 § 3, 2007; Ord. 630.7 § 2, 1999)

6.08.040 Optional licensing for cats.

An owner of a cat may be issued a license and tag for such cat upon presentation to the director of a certificate of vaccination signed by a veterinarian certifying that such a cat has been vaccinated, and upon the payment of a license fee of nine dollars (\$9.00). The license shall be valid for the period of immunity indicated in the certificate of vaccination. (Ord. 630.11 § 3 (part), 2008; Ord. 630.7 § 4, 1999)

6.08.050 Mandatory licensing of kennels and catteries.

Such license shall be valid for a period of either one or two years from the date of issuance, except that the director may, in his or her discretion, limit the duration of the license to one year when he or she deems such limitation to be appropriate. The license shall be renewed within thirty (30) days after the date of expiration. Where a kennel license has been issued and is in effect, the dogs contained in such kennel shall be exempt from the requirements of individual license tags as provided in Section 6.08.020(A). The kennel license fees, and late fees if an application for a license is made more than thirty (30) days after the date such license is required, shall be as follows:~~

The application form, when completed, shall contain such information as may reasonably be required by the director for the purposes of enforcement of this chapter, including but not limited to the current home telephone number of the caretaker of the subject kennel or cattery and another current telephone number for emergency use or messages when such caretaker is absent from the subject kennel or cattery. Where a kennel or cattery is sought to be operated upon leased or rented premises, a letter of consent from the owner of the premises to the effect that the kennel or cattery may be maintained and operated on such premises shall be submitted to the director at the time the application for the kennel or cattery license is submitted.

C. After receipt of a kennel or cattery license application, the director shall make an inspection of the premises of the kennel or cattery for which a license is requested. No kennel or cattery license shall be issued nor shall any such license be renewed, unless and until the kennel or cattery, in the opinion of the director, satisfies the applicable laws and regulations of the state of California, the applicable ordinances of the county and the applicable conditions set forth in the standards for kennels and catteries adopted by resolution of the board of supervisors. Notwithstanding any other provision of this chapter, the director or the Riverside County planning director may, in their respective discretion, limit the numbers of dogs or cats over the age of four months which are kept or maintained in any kennel or cattery, and such limitation may be imposed at such time as an application for an initial kennel or cattery license is considered or at such time as an application for renewal of a kennel or cattery license is considered.

D. Notwithstanding any other provision of this chapter, the director is authorized to enter upon and inspect the premises of any kennel or cattery located in the county for the purpose of determining whether such kennel or cattery is in compliance with the provisions of this chapter and the standards for kennels and catteries referred to in subsection C of this section. As a condition of the issuance of a kennel or cattery license, each owner and operator of a kennel or cattery shall agree to allow such entry and inspection and such agreement shall be made a part of the license application. Such inspections shall be made during reasonable hours at times when the owner or operator of the kennel or cattery is present on the kennel or cattery premises, and with such frequency as the director shall deem appropriate, and such inspections may, at the discretion of the director, be made without prior notice to the owner or operator of the subject kennel or cattery. Wilful refusal on the part of a kennel or cattery owner or operator to allow such inspection shall be grounds for summary denial of an application for a kennel or cattery license or for summary suspension or revocation of a kennel or cattery license.

E. A nonprofit corporation formed pursuant to the provisions of the California Corporations Code commencing with Section 10400 for the prevention of cruelty to animals, shall not be required to pay a fee for the licenses required by subsection A of this section; provided, however, that all other provisions of Section 6.08.020 and this

section shall be applicable to any such nonprofit corporation, as well as the provisions of Section 6.08.060 of this chapter if the nonprofit corporation is an animal rescuer.

F. Notwithstanding the provisions of subsection C of this section and Section 6.08.070(A), a kennel or cattery which is in operation on April 4, 1987 and for which on such date there is in effect a current and otherwise valid license issued prior to such date pursuant to the provisions of Riverside County Ordinance No. 455, shall, for a period of twenty (20) years from this date, be required to comply only with those requirements for licensure and operation other than license fees as were required for such kennel or cattery under Riverside County Ordinance No. 455; provided, however, that where there occurs a transfer of ownership of such kennel or cattery five years or more after this date, such kennel or cattery shall, upon such transfer of ownership, be required to comply with the requirements for licensure and operation specified in this chapter. The license fees for a kennel or cattery described in the first sentence of subsection F of this section during the period such kennel or cattery is permitted, pursuant to said subsection F, to operate under the requirements of Riverside County Ordinance No. 455 shall be as follows:

1. For a kennel for which a current and otherwise valid noncommercial or commercial kennel license is in effect on and was issued by the director prior to April 4, 1987, the license fee shall be the same fee as is provided in this chapter for a kennel having the same number of dogs, and no individual licenses shall be issued for such dogs.
2. For a cattery for which a current and otherwise valid commercial cattery license is in effect on and was issued by the director prior to April 4, 1987, the license fee shall be the same fee as is provided in this chapter for a cattery.

G. A violation of this section shall be punishable as follows:

Any person violating any provision of this section shall be deemed guilty of an infraction or misdemeanor as hereinafter specified. Such person shall be deemed guilty of a separate offense for each and every day or portion thereof during which any violation of any of the provisions of this section is committed, continued or permitted.

Any person convicted of a violation of this section shall be: (1) guilty of an infraction offense and punished by a fine not exceeding one hundred dollars (\$100.00) for a first violation; (2) guilty of an infraction offense and punished by a fine not exceeding two hundred dollars (\$200.00) for a second violation on the same site. The third and any additional violations on the same site shall be punishable by a fine not exceeding one thousand dollars (\$1,000.00) or six months in jail, or both.

Notwithstanding the above, a first offense may be charged and prosecuted as a misdemeanor. Payment of any penalty herein shall not relieve any person from the responsibility for correcting the violation. (Ord. 630.11 §§ 3 (part), 4, 2008; Ord. 630.8 § 1, 2002; 630.7 § 5, 1999)

G. Accurate and complete records of all animals shall be maintained by the animal rescuer on forms which will be made available to the department for inspection upon request.

H. An animal rescuer may recoup, from the adopting party, the cost of any inoculations, the cost incurred by having the animal altered prior to adoption, and any costs related to the treatment of illness or injury.

I. Administration of the animal rescue program shall be the responsibility of the animal services director who shall have the authority to issue and revoke animal rescue permits. 6.08.070 Denial, suspension, revocation and appeal of kennel or cattery license.

A. The director may, in his or her discretion, deny any application for a kennel or cattery license whether such application is for an original license or renewal of a license, and may suspend or revoke any kennel or cattery license if he or she finds that a kennel or cattery fails to meet any or all of the standards for kennels and catteries referred to in Section 6.08.050(C) or is in violation of any law of the state of California or any provision of this chapter, any provision of any other county ordinance or provision of a conditional use permit.

B. When such denial, suspension or revocation occurs, the director shall prepare a written notice of such denial, suspension or revocation which shall contain a brief statement of the reason or reasons for such denial, suspension or revocation. The director shall serve such notice upon the applicant or licensee by hand-delivery or by registered or certified mail, postage prepaid, return receipt requested. Denial, suspension or revocation shall be effective thirty (30) days after service of such notice. Where an application for a kennel or cattery license is denied or where a kennel or cattery license issued pursuant to this chapter is revoked, no application for a new license for such kennel or cattery shall be considered for a period of one year from the effective date of such denial or revocation; provided, however, that for good cause shown the board of supervisors may direct that there be a lesser period of time before such application will be considered.

C. Any person whose application has been denied or whose license has not been renewed, or whose license has been suspended or revoked, may appeal such denial, nonrenewal, suspension or revocation by filing with the clerk of the board of supervisors within fifteen (15) days after notice of such denial, suspension or revocation, a written notice of appeal briefly setting forth the reasons why the appellant alleges such denial, nonrenewal, suspension or revocation is improper. The date of hearing shall be not less than twenty (20) days from the date of mailing of the notice of the date, time and place of the hearing, and the hearing shall be conducted not later than forty-five (45) days from the date of mailing of the notice of denial, nonrenewal, suspension or revocation; provided, however, that at the request of the appellant, the clerk of the board may extend the hearing date for a reasonable period beyond the aforementioned forty-five (45) day limit. The appeal shall be heard by the board of supervisors which may affirm, modify or reverse the denial, nonrenewal, suspension or revocation. In conducting the hearing, the board of supervisors shall not be limited by the technical rules relating to evidence and witnesses, as applicable in courts of law. To be

admissible, evidence shall be of the type upon which responsible persons are accustomed to rely in the conduct of serious affairs.

During the pendency of the appeal, there shall be in effect an automatic stay of the denial, nonrenewal, suspension or revocation; provided, however, that during the period of pendency the director may take such action as he or she deems appropriate under this chapter or any other provision of law respecting the subject kennel or cattery, including but not limited to the abatement of public nuisances, inspection of the kennel or cattery premises, or the prosecution of any violation of this chapter or any other provision of law not related to the failure of the subject kennel or cattery to be currently and otherwise validly licensed. (Ord. 630.11 § 3 (part), 2008; Ord. 630.7 § 7, 1999)

For the purpose of this subsection, the notice specified herein shall be given in the manner determined by the officer as expedient under the circumstances.

The animal is suffering from any incurable, dangerous or contagious disease, providing a veterinarian shall certify, in writing, that such animal is so suffering; or, in the officer's best judgment it would be inhumane and cause needless suffering to prolong the life of the animal in order to see a veterinarian; or
2. It is an unlicensed vicious dog, cat, or other animal.

G. Any officer having in his or her custody any unredeemed, impounded dog or cat may release such dog or cat to any adult individual upon payment by that individual of the impound fees and charges specified in subsection A of this section and the spay/neuter deposit fee specified in Section 6.08.120(A) of this chapter, or to a nonprofit corporation formed under the provisions of the California Corporations Code commencing with Section 10400 for the prevention of cruelty to animals or to a nonprofit organization formed under the laws of the state of California for the prevention of cruelty to animals, for such sale or placement as such nonprofit corporation or nonprofit organization may choose. D. Nothing in this chapter shall prevent the animal services director from acting, when he or she deems it appropriate to do so, under the applicable provisions of California Penal Code, Section 597, et seq. (Ord. 630.10 §§ 2 (part), 7 (part), 2007; Ord. 630.7 § 19, 1999)

~~6.08.200~~ 220 Violation—Penalty.

Any person violating any of the provisions of this chapter shall be guilty of an infraction, unless otherwise stated in this chapter, and upon conviction thereof shall be punished by: (1) a fine not exceeding fifty dollars (\$50.00) for the first violation; (2) a fine not exceeding one hundred dollars (\$100.00) for the second violation within one year; (3) a fine not exceeding two hundred fifty dollars (\$250.00) for each additional violation within one year. Each day a violation is committed or permitted to continue shall constitute a separate offense.

A. Persons receiving a citation for any infraction resulting from a violation of this chapter, may choose to clear the citation within ten (10) days, thereby avoiding a visit to court and a potentially higher court fine, by demonstrating their compliance to the animal services director through their written, signed agreement and paying an administrative fee of sixty dollars (\$60.00) to the department.

B. Persons who violate a home quarantine, fail to produce an animal for quarantine upon demand, or in any other way interfere with rabies investigation, shall be guilty of a misdemeanor, pursuant to Section 121710 of the California Health and Safety Code and Section 9701 of the California Food and Agriculture Code, which is punishable by imprisonment in the county jail for a period not to exceed one year, or by a fine of not less than one hundred dollars (\$100.00), nor more than one thousand dollars (\$1,000.00) per day of violation, or both fine and imprisonment.

C. Persons receiving a citation for violation of a home quarantine, may choose to clear the citation and avoid arrest and appearance in court by demonstrating to the animal services director, in writing, their intent to comply with the order and paying an administrative fee of fifty dollars (\$50.00) to the department. (Ord. 630.11 § 3 (part), 2008; Ord. 630.10 §§ 2 (part), 7 (part), 8, 2007; Ord. 630.7 § 20, 1999)

6.08.210 230 Administrative citations and penalties.

In addition to the remedies and penalties contained in this chapter, and in accordance with Government Code Section 53069.4, an administrative citation may be issued for any violation of this chapter. The following procedures shall govern the imposition, enforcement, collection and administrative review of administrative citations and penalties.

A. Notice of Violation. If an animal is owned, kept, maintained, or found to be in violation of this chapter, an administrative citation may be issued by the animal control officer. An administrative citation will not be issued for violation of Section 6.08.050 (Mandatory licensing of kennels and catteries) prior to a written notice of violation being issued.

B. Content of Citation. The administrative citation shall be issued on a form approved by county counsel and shall contain the following information:

1. Date, location and approximate time that the violation was observed;
2. The ordinance violated and a brief description of the violation;
3. The amount of the administrative penalty imposed for the violation;
4. Instructions for payment of the penalty, and the time period by which it shall be paid and the consequences of failure to pay the penalty within this time period;
5. Instructions on how to appeal the citation;
6. The signature of the animal control officer.

The failure of the citation to set forth all required contents shall not affect the validity of the proceedings.

C. Service of Citation.

1. If the person who has violated this chapter is present at the scene of the violation, the animal control officer shall attempt to obtain his or her signature on the administrative citation and shall deliver a copy of the administrative citation to him or her.
2. If the owner, occupant or other person who has violated this chapter is a business, and the business owner is on the premises, the animal control officer shall attempt to deliver the administrative citation to him or her. If the animal control officer is unable to serve the business owner on the premises, the administrative citation may be left with the manager or employee of the business. If left with the manager or employee of the

business, a copy of the administrative citation shall also be mailed to the business owner by certified mail, return receipt requested.

3. If no one can be located at the property where the violation occurred, then the administrative citation shall be posted in a conspicuous place on or near the property and a copy mailed by certified mail, return receipt requested to the owner, occupant or other person who has violated this chapter. The citation shall be mailed to the property address and/or the address listed for the owner on the last county equalized assessment roll. The citation shall also be mailed to any additional address for the owner in department records.

4. The failure of any interested person to receive the citation shall not affect the validity of the proceedings.

D. Administrative Penalties.

1. The penalties assessed for each violation of this chapter shall not exceed the following amounts:

- a. One hundred dollars (\$100.00) for a first violation;
- b. Two hundred dollars (\$200.00) for a second violation of the same administrative abatement order within one year;
- c. Five hundred dollars (\$500.00) for each additional violation of the administrative abatement order within one year.

2. If the violation is not corrected, additional administrative citations may be issued for the same violation. The amount of the penalty shall increase at the rate specified above.

3. Payment of the penalty shall not excuse the failure to correct the violation nor shall it bar further enforcement action.

4. The penalties assessed shall be payable to the county of Riverside, department of animal services.

5. Where the violation would otherwise be an infraction, the administrative penalty shall not exceed the maximum fine or infraction amount.

E. Administrative Appeal of Administrative Citation.

1. Notice of Appeal. The recipient of an administrative citation may appeal the citation by filing a written notice of appeal with the department. The written notice of appeal must be filed within twenty (20) days of the service of the administrative citation as set forth in subsection C above. Failure to file a written notice of appeal within this time period shall constitute a waiver of the right to appeal the administrative citation. The notice of appeal shall be submitted on county forms and shall contain the following information:

- a. A brief statement setting forth the appellant's interest in the proceedings;
- b. A brief statement of the material facts which the appellant claims supports his or her contention that no administrative penalty should be imposed or that an administrative penalty of a different amount is warranted;
- c. An address at which the appellant agrees notice of any additional proceeding or an order relating to the administrative penalty may be received by mail;
- d. The notice of appeal must be signed by the appellant.

2. Administrative Hearing. Upon a timely written request by the recipient of an administrative citation, an administrative hearing shall be held as follows:

a. Notice of Hearing. Notice of the administrative hearing regarding the administrative citation shall be given at least ten (10) days before the hearing to the person requesting

the hearing. The notice may be personally delivered to the person requesting the hearing or may be mailed to the address listed in the notice of appeal.

b. Hearing Officer. The administrative hearing regarding the administrative citation shall be held before the animal services director. The hearing officer shall not be the investigating animal control officer who issued the administrative citation or his or her immediate supervisor. The director may contract with a qualified provider to conduct the administrative hearings or to process administrative citations.

c. Conduct of the Hearing. The investigating animal control officer who issued the administrative citation shall not be required to participate in the administrative hearing regarding the citation. The contents of the investigating animal control officer's file shall be admitted as prima facie evidence of the facts stated therein. The hearing officer shall not be limited by the technical rules of evidence. If the person requesting the appeal of the administrative citation fails to appear at the administrative hearing, the hearing officer shall make his or her determination based on the information contained in the notice of appeal.

d. Hearing Officer's Decision. The hearing officer's decision regarding the administrative citation following the administrative hearing may be personally delivered to the person requesting the hearing or sent by mail. The hearing officer may allow payment of the administrative penalty in installments, if the person provides evidence satisfactory to the hearing officer of an inability to pay the penalty in full at one time. The hearing officer's decision shall contain instructions for obtaining review of the decision by the superior court.

F. Review of Administrative Hearing Officer's Decision. If the recipient of an administrative citation disagrees with the administrative hearing officer's decision upholding the issuance of the administrative citation and/or administrative penalty amount assessed, the recipient may appeal the issuance of the administrative citation to the superior court as set forth in this section.

1. Notice of Appeal. Within twenty (20) days of the delivery and mailing of the hearing officer's decision regarding the administrative citation, the recipient of the administrative citation may contest that decision by filing an appeal to be heard by the superior court. The fee for filing the notice of appeal is twenty-five dollars (\$25.00). The failure to file the written appeal and to pay the filing fee within this period shall constitute a waiver of the right to an appeal and the decision shall be deemed confirmed. A copy of the notice of appeal shall be served in person or by first class mail upon the department of animal services by the contestant.

2. Conduct of Hearing. The conduct of the appeal hearing is a subordinate judicial duty and may be performed by traffic trial commissioners and other subordinate judicial officials at the direction of the presiding judge of the court. The appeal shall be heard de novo, except that the contents of the issuing agency's file in the case shall be received into evidence. A copy of the issued administrative citation providing notice of the violation and imposition of the administrative penalty shall be admitted into evidence as prima facie evidence of the facts stated therein. The court shall request that the issuing agency's file on the case be forwarded to the court, to be received within fifteen (15) days of the request.

3. Judgment. The court shall retain the twenty-five dollar (\$25.00) fee regardless of the outcome of the appeal. If the court finds in favor of the contestant, the amount of the fee

shall be reimbursed to the contestant by the department of animal services. Any deposit of the fine or penalty shall be refunded by the department of animal services in accordance with the judgment of the court. If the fine or penalty has not been deposited and the decision of the court is against the contestant, the issuing agency may proceed to collect the penalty pursuant to the procedures set forth in this ordinance, or in any other manner provided by law. (Ord. 630.11 § 10, 2008)

A. Records of Costs. The department of animal services shall maintain records of all administrative costs, incurred by the department and all other responsible county departments, in the processing of the violation or violations and the enforcement of this chapter and other applicable ordinances and may recover such costs from the violator and/or property owner or property occupier as provided in this chapter.

D. Right to Hearing. Any violator or property owner, or other person having possession and control of the property, who receives a summary of costs under this section shall have the right to a hearing before the director of the department of animal services or his or her designee on his or her objections to the proposed costs in accordance with the procedures set forth herein.

E. Request for Hearing. A request for hearing shall be filed with the department within ten (10) days of the service by mail of the department's summary of costs, on a form provided by the department. Within thirty (30) days of the filing of the request, and on ten (10) days written notice to the violator and/or owner, the director or his or her designee shall hold a hearing on the violator and/or owner's objections, and shall determine the validity thereof.

F. Recovery of Costs. In the event that: (a) no request for hearing is timely filed; or (b) after a hearing the director of the department of animal services or his or her designee affirms the validity of the costs; the violator, the property owner or the person in control and possession of the property shall be liable to the county in the amount stated in the summary of costs or any lesser amount as determined by the director or his or her designee. These costs shall be recoverable in a civil action in the name of the county, in any court of competent jurisdiction within the county.

G. Director's Decision. In determining the validity of the costs, the director or his or her designee shall consider whether the total costs as charged have been fairly and accurately calculated. Factors to be considered include whether the time and personnel spent in enforcement were reasonably necessary to bring about compliance and whether the rate charged is the current rate established by the county.

H. Appeal. The decision of the director or his or her designee may be appealed by filing a written notice of appeal with the clerk of the board within ten (10) days after service by mail on the violator, property owner, or other person having possession and control of the property, of the decision of the director. The appeal shall be heard by the board of

The department shall give written notice of the time and the place of the hearing to appellant. In conducting the hearing, the board of supervisors shall not be limited by the technical rules of evidence. (Ord. 630.11 §§ 9, 11 (part), 2008; Ord. 630.10 § 7 (part), 2007; Ord. 630.7 § 21, 1999)

6.08.~~230~~ 250 Public nuisance.

A. The possession or maintenance of any dog, cat or other identified animal or the allowing of any dog, cat or other identified animal to be in violation of this chapter, Ordinance No. 771 or any other county ordinance or state law, is declared to be a public nuisance. The animal services director and any Riverside County peace officer are directed and empowered to abate any such public nuisance independently of any criminal prosecution or the results thereof, by any means reasonably necessary to accomplish the abatement including, but not limited to, the destruction of the dog, cat or other identified animal involved, or by the imposition of specific reasonable conditions and restrictions for the maintenance of such dog, cat or other identified animal. Failure to comply with such conditions and restrictions is a misdemeanor. The owner of such dog, cat or other identified animal shall reimburse the county for all costs incurred in enforcing compliance with the provisions of this section. The county, by and through the animal services director, may also commence and maintain such proceedings in a court of competent jurisdiction as are appropriate under the laws and regulations of the state for the abatement and redress of public nuisances.

B. At least ten (10) working days prior to the impoundment or abatement or both pursuant to subsection A of this section, the owner or custodian of the subject dog, cat, or other identified animal shall be notified by the animal services director, in writing, of the right to a hearing to determine whether grounds exist for such impoundment or abatement or, where applicable, both. The notice shall be served by hand-delivery or by registered or certified mail, postage prepaid, return receipt requested. If the owner or custodian requests a hearing prior to impoundment or abatement, no impoundment or abatement shall take place until the conclusion of such hearing, except as provided in subsection C of this section.

C. When, in the opinion of the animal services director, immediate impoundment is necessary for the preservation of animal or public health, safety or welfare, or if the subject dog, cat or other identified animal has been impounded under any other provision of this chapter or any law or regulation of the state of California, the pre-impoundment hearing shall be deemed waived; provided, however, that the owner or custodian of the subject dog or cat shall be given notice by the animal services director, in writing, which would allow five working days to request an abatement hearing. Service of such notice shall be in accordance with the service methods specified in subsection B of this chapter. Where requested by such owner or custodian, a hearing shall be held within five days of the request therefor, and the subject dog, cat or other animal shall not be disposed of prior to the conclusion of the hearing. If, after five working days from the date of service of the notice specified in this subsection, no request for a hearing is received from the owner or custodian of the subject dog, cat or other animal, such dog, cat, or other animal shall be disposed of pursuant to applicable provisions of law.

D. All hearings pursuant to this section shall be conducted by the animal services director personally or by a designee who shall not have been directly involved in the subject action. Hearings shall be held not more than ten (10) days from the date of receipt of the request for the hearing and shall be conducted in an informal manner consistent with due process of law. A hearing may be continued for a reasonable period of time if the animal services director deems such continuance to be necessary and proper or if the owner or custodian shows good cause for such continuance. Within ten (10) days after the conclusion of the hearing, the animal services director shall render, in writing, his or her findings, decision and order thereon and shall give notice of the findings, decision and order to the owner or custodian of the subject dog, cat or other animal; service of such notice shall be in accordance with the service methods specified in subsection B of this section.

All of the fees set forth in this chapter shall be in effect until the board of supervisors shall by ordinance fix some other fees upon the basis of a cost-analysis as determined by the Riverside County auditor-controller or, where applicable, pursuant to a change in the applicable laws and regulations of the state of California, or where applicable, both. (Ord. 630.11 § 11 (part), 2008; Ord. 630.10 § 7 (part), 2007; Ord. 630.7 § 23, 1999)

6.08.250 270 Waiver of fees.

At the discretion of the animal services director, the impoundment fees recoverable under Section 6.08.110 may be waived by the animal services director based upon indigent circumstances of the owner of the impounded animal that are verified by the department of animal services so long as the animal is being kept and maintained in accordance with all other provisions of this chapter, the county ordinances, and state law. (Ord. 630.11 § 11 (part), 2008; Ord. 630.10 § 9, 2007)

6.12.020 Prompt action allowed when--Lien for care and treatment.

Whenever any peace officer or animal control officer has reasonable grounds to believe that very prompt action is required to protect the health or safety of the animal or the health or safety of others, the officer shall immediately seize the animal and comply with the procedure established in Section 6.12.030. In all other cases, the officer shall comply with the provisions of Section 6.12.040. The cost of caring for and treating any animal properly seized under this chapter shall constitute a lien on the animal and the animal shall not be returned to its owner until the charges are paid, unless the hearing officer determines that the seizure was unjustified. (Ord. 716.1 § 2 (part), 2000; Ord. 716 § 2, 1991)

6.12.030 Post seizure hearing.

Whenever an animal control officer or peace officer seizes or impounds an animal based on a reasonable belief that prompt action is required to protect the health or safety of the animal or the health or safety of others, the officer shall, prior to the commencement of any criminal proceedings provide the owner or keeper of the animal, if known or ascertained after reasonable investigation, with the opportunity for a post seizure hearing as hereinafter provided to determine the validity of the seizure or impoundment, or both.

A. The health department shall cause a notice to be affixed to a conspicuous place where the animal was situated or personally deliver a notice of the seizure or impoundment, or both, to the owner or keeper within 48 hours, excluding weekends and holidays. The notice shall include all of the following:

1. The name, business address, and telephone number of the officer providing the notice;
2. A description of the animal seized, including any identification upon the animal;
3. The authority and purpose for the seizure, or impoundment, including the time, place and circumstances under which the animal was seized;

A statement that, in order to receive a post seizure hearing, the owner or person authorized to keep the animal, or his or her agent, shall request the hearing by signing and returning an enclosed declaration of ownership or right to keep the animal to the health department within ten (10) days, including weekends and holidays, of the date of the notice. The declaration may be returned by personal delivery or mail;
5. A statement that the cost of caring for and treating any animal properly seized under this section is a lien on the animal and that the animal shall not be returned to the owner until the charges are paid, and that failure to request or to attend a scheduled hearing shall result in liability for this cost.

B. The post seizure hearing shall be conducted within forty-eight (48) hours of the request, excluding weekends and holidays. The hearing shall be conducted in accordance with the provisions of Section 6.12.080.

C. Failure of the owner or keeper, or of his or her agent, to request a hearing within the prescribed time period, or to attend a scheduled hearing, shall result in forfeiture of any right to a post seizure hearing or right to challenge his or her liability for costs incurred.

D. The health department, or law enforcement agency that directed the seizure shall be responsible for the costs incurred for caring and treating the animal, if it is determined in the post seizure hearing that the seizing officer did not have reasonable grounds to believe very prompt action, including seizure of the animal, was required to protect the health or safety of the animal or the health or safety of others. If it is determined the seizure was justified, the owner or keeper shall be personally liable to the seizing agency for the cost of the seizure and care of the animal, and the animal shall not be returned to its owner until the charges are paid and the seizing agency or hearing officer has determined that the animal is physically fit or the owner demonstrates to the seizing agency's or the hearing officer's satisfaction that the owner can and will provide the necessary care. (Ord. 716.1 § 2 (part), 2000; Ord. 716 § 3, 1991)

6.12.040 Hearing prior to seizure of animal.

Where the need for immediate seizure is not present and prior to the commencement of any criminal proceedings the health officer shall provide the owner or keeper of the animals, if known or ascertainable after reasonable investigation, with the opportunity for a hearing prior to any seizure or impoundment of the animal. The owner shall produce the animal at the time of the hearing unless, prior to the hearing, the owner has made arrangements with the agency to view the animal upon request of the agency, or unless the owner can provide verification that the animal was humanely destroyed. Any person who wilfully fails to produce the animal or provide the verification is guilty of an infraction, punishable by a fine of not less than two hundred and fifty dollars (\$250.00) no more than one thousand dollars (\$1,000.00).

A. The health department or law enforcement agency shall cause a notice to be affixed to a conspicuous place where the animal was situated or personally deliver a notice stating the grounds for believing the animal should be seized. The notice shall include all of the following:

5. A statement that the cost of caring for and treating any animal properly seized is a lien on the animal, that any animal seized shall not be returned to the owner until the charges are paid, and that failure to request a hearing within the prescribed time period, or to attend a scheduled hearing shall result in a conclusive determination that the animal may properly be seized and that the owner shall be liable for the charges.

B. The pre-seizure hearing shall be conducted within forty-eight (48) hours, excluding weekends and holidays, after receipt of this request. The hearing shall be conducted in accordance with the procedure established in Section 6.12.080.

C. Failure of the owner or keeper, or his or her agent, to request a hearing within the prescribed time, period or to attend a scheduled hearing, shall result in a forfeiture of any

right to a preseizure hearing or right to challenge his or her liability for costs incurred pursuant to this chapter. (Ord. 716.1 § 2 (part), 2000; Ord. 716 § 4, 1991)

6.12.050 Cost of seizure and care--Owner liable.

If any animal is properly seized under this chapter, the owner or keeper shall be personally liable to the seizing agency for the cost of the seizure and care of the animal. Furthermore, if the charges for the seizure or impoundment and any other charges permitted under this chapter are not paid within fourteen (14) days of the seizure, or, if the owner, within fourteen (14) days of notice of availability of the animal to be returned, fails to pay charges permitted under this chapter and take possession of the animal, the animal shall be deemed to have been abandoned and may be disposed of by the impounding officer. (Ord. 716.1 § 2 (part), 2000; Ord. 716 § 5, 1991)

6.12.060 Noncompliance with order to provide veterinary care.

If the animal requires veterinary care and the seizing agency is not assured, within fourteen (14) days of the seizure of the animal, that the owner will provide the necessary care, the animal shall not be returned to its owner and shall be deemed to have been abandoned and may be disposed of by the impounding officer. A veterinarian may humanely destroy an impounded animal without regard to the prescribed holding period when it has been determined that the animal has incurred severe injuries or is incurably ill or crippled. A veterinarian also may immediately humanely destroy an impounded animal afflicted with a serious contagious disease unless the owner or his or her agent immediately authorizes treatment of the animal by a veterinarian at the expense of the owner or agent. (Ord. 716.1 § 2 (part), 2000; Ord. 716 § 6, 1991)

6.12.070 Return to owner--Conditions.

No animal properly seized under this chapter shall be returned to its owner until, in the determination of the seizing agency or hearing officer, the animal is physically fit or the owner can demonstrate to the seizing agency's or hearing officer's satisfaction that the owner can and will provide the necessary care. (Ord. 716.1 § 2 (part), 2000; Ord. 716 § 7, 1991)

6.12.080 Hearings.

All hearings conducted pursuant to this chapter shall be conducted by the health officer or his or her designee (hearing officer), who shall not have been directly involved in the subject action and shall not be subordinate in rank to the person seizing or impounding the animal. Hearings shall be conducted in the following manner:

A. The hearing officer may continue the hearing for a reasonable period of time, if the hearing officer deems such continuance to be necessary and proper or if the owner or custodian shows good cause for such continuance.

B. The health department shall have the burden of proof to establish, by a preponderance of evidence, the existence of the condition or conditions which give rise to the need for the seizure or impoundment.

C. In a case where the department is also seeking to terminate the owner's rights in the animal, the department shall have put the owner or keeper of the animal on due written notice thereof and shall establish the existence of the owner's or keeper's acts or omissions resulting in cruelty or neglect to the animal by clear and convincing evidence to a reasonable certainty.

D. The department shall present its case first, followed by the party against whom the seizure or impoundment is being proposed. The department may present rebuttal in the discretion of the hearing officer.

E. Oral evidence shall be taken only on oath or affirmation.

F. Each party shall have the right to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any other matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness, and to rebut evidence.

G. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized in the hearing. Irrelevant and unduly repetitious evidence shall be excluded.

H. At the conclusion of the hearing, each side shall be given an opportunity to summarize its position.

I. Within three working days after the conclusion of the hearing, the hearing officer shall render, in writing, his or her findings, decision and order thereon, and shall give notice, in writing, of the findings, decision and order to the owner or custodian of the animal.

J. In the event a sufficient quantum of evidence presented at the hearing supports a determination for seizure, impoundment and/or termination of the owner's rights in the animal, the hearing officer as a part of his decision may order, but is not limited to ordering, that one or more of the following actions be undertaken:

1. That the owner's and/or custodian's rights in the dog, cat or other animal are terminated;
2. That the owner or custodian of the dog, cat or other animal shall remove the animal(s) from the premises by a specified date;
3. That the health department personnel after a specified date, shall impound the animal or animals;
4. That the health department shall sell, give away, or otherwise dispose of, the animal(s) with the owner or custodian of the animal(s) being responsible to reimburse the county or agency as designated by the county for all costs and expenses including, but not limited to, board, care, veterinary services, and costs of disposal. If the animal(s) are sold, the proceeds from the sale shall go to the county or agency as designated by the county.

K. A decision upholding seizure or impoundment shall become effective upon issuance.
L. A decision terminating an owner's rights in the animal shall become effective thirty (30) days from the date the decision is mailed unless a stay of execution is granted. (Ord. 716.1 § 2 (part), 2000; Ord. 716 § 8, 1991)

6.12.090 Abandoned or stray animals--Authority to rehabilitate or destroy.

Every such, disabled, infirm or crippled animal, except a dog or cat, abandoned in any part of the unincorporated area the county may be immediately killed by the health department or law enforcement agency or their designees if, after a reasonable search, no owner of the animal can be located. It shall be the duty of all peace officers and animal control officers to cause the animal to be killed or rehabilitated and placed in a suitable home on information that the animal is stray or abandoned. (Ord. 716.1 § 2 (part), 2000; Ord. 716 § 9, 1991)

6.12.100 Transfer to veterinarian.

Any peace officer, humane society officer, or animal control officer shall convey all injured cats and dogs found without their owners in a public place directly to a veterinarian known by the officer to be a veterinarian who ordinarily treats dogs and cats for a determination of whether the animal shall be immediately and humanely destroyed or shall be hospitalized under proper care and given emergency treatment.

If the owner does not redeem the animal within the locally prescribed waiting period, the veterinarian may personally perform euthanasia on the animal. If the animal is treated and recovers from its injuries, the veterinarian may keep the animal for purposes of adoption, provided the responsible animal control agency has first been contacted and has refused to take possession of the animal.

Whenever any animal is transferred to a veterinarian in a clinic, such as an emergency clinic which is not in continuous operation, the veterinarian may, in turn, transfer the animal to an appropriate facility.

If the veterinarian determines that the animal shall be hospitalized under proper care and given emergency treatment, the costs of any services which are provided pending the owner's inquiry to the responsible agency or department shall be paid from the dog license fees, fines, and fees from impounding dogs in the city, county or city and county in which the animal was licensed or, if the animal is unlicensed, shall be paid by the jurisdiction in which the animal was found, subject to the provision that this cost be repaid by the animal's owner. The cost of caring for and treating any animal seized under this section shall constitute a lien on the animal and the animal shall not be returned to the owner until the charges are paid. No veterinarian shall be criminally or civilly liable for any decision which he or she makes or for services which he or she provides pursuant to this section.

An animal control agency which takes possession of an animal pursuant to this section shall keep records of the whereabouts of the animal for a seventy-two (72) hour period from the time of possession, and those records shall be available for inspection by the public upon request. (Ord. 716.1 § 2 (part), 2000; Ord. 716 § 10, 1991)

6.12.110 Humane destruction of animal in the field.

Notwithstanding any other provision of this section, any peace officer or any animal control officer may, with the approval of his or her immediate superior, humanely destroy any stray or abandoned animal in the field in any case where the animal is too severely injured to move or where a veterinarian is not available and it would be more humane to dispose of the animal. (Ord. 716.1 § 2 (part), 2000; Ord. 716 § 11, 1991)

6.12.120 Violation--Penalty.

Every owner, driver or keeper of any animal who permits the animal to be in any building, enclosure, lane, street, square or lot within the unincorporated area of Riverside County, without proper care or attention shall be guilty of an infraction or misdemeanor as hereinafter specified. Such individual shall be deemed guilty of a separate offense of each and every day or portion thereof during which any violation of any of the provisions of this chapter is committed, continued or permitted. Any individual convicted of a violation of this chapter shall be: (1) guilty of an infraction offense and punished by a fine not exceeding one hundred dollars (\$100.00) for a first violation; (2) guilty of an infraction offense and punished by a fine not exceeding two hundred dollars (\$200.00) for a second violation. The third and any additional violations shall constitute a misdemeanor offense and shall be punishable by a fine not exceeding one thousand dollars (\$1,000.00) or six months in jail, or both. Notwithstanding the above, a first offense may be charged and prosecuted as a misdemeanor. Payment of any penalty herein shall not relieve an individual from the responsibility for correcting the violation. (Ord. 716.1 § 2 (part), 2000; Ord. 716 § 12, 1991)

6.12.130 Violation--Animal(s) to be forfeited.

Upon the conviction of a person charged with a violation of this chapter, all animals lawfully seized and impounded with respect to the violation shall be adjudged by the court to be forfeited and shall thereupon be transferred to the impounding officer for proper disposition. A person convicted of a violation of this chapter shall be personally liable to the seizing agency for all costs of impoundment from the time of seizure to the time of proper disposition. This chapter shall not prohibit the seizure or impoundment of animals as evidence as provided for under any other provision of law. (Ord. 716.1 § 2 (part), 2000; Ord. 716 § 13, 1991)

6.12.140 Chapter provisions not exclusive.

This chapter is not intended, nor shall it be construed in any way, to affect Sections 31101 or 31752 of the Food and Agriculture Code. (Ord. 716.1 § 2 (part), 2000; Ord. 716 § 14, 1991)

6.16.010 Findings.

A. Because of the increased urbanization of Riverside County the county has experienced increasing numbers of dogs and other animals being kept in close proximity to humans including children.

B. The keeping of dogs and other animals in close proximity to adults and children has resulted in increasing incidents of attacks, biting and menacing behavior by such dogs and other animals.

C. These incidents now present a public health and safety problem to the residents of this county and increasing numbers of cases have resulted in painful and/or serious injuries to adults and children, death and injuries to other animals, attendant economic losses to county residents, and anxiety to those bitten by unlicensed animals whose vaccination status is therefore not established.

D. In an attempt to bring this problem under control, it is necessary to: (1) increase the total number of animals which are licensed and thus properly established to have been vaccinated against rabies; (2) encourage the spaying and neutering of animals, which (a) reduces the number of strays at large and not safely confined, (b) reduce aggressiveness and animals at large, and (c) reduces the financial cost to taxpayers of animal control services; and (3) establish a warning and hearing procedure to put the owners of potentially dangerous, dangerous dogs and other animals on adequate notice to control such animals and to bring about the confinement of such animals and the destruction of those animals where other lesser measures have failed or are inappropriate. (Ord. 771 § 1, 1999)

6.16.020 Definitions.

Whenever, in this chapter or in any resolution or standard adopted by the board of supervisors pursuant to this chapter, the following terms are used, they shall have the meaning ascribed to them in this section, unless it is apparent from the context thereof, that some other meaning is intended.

"Attack" means any action by an animal which places a person in danger of immediate bodily harm.

"Animal services manager" means the animal services manager of the county or his or her duly authorized representative.

"Dangerous animal" means:

1. Any animal which has twice within a forty-eight (48) month period in two separate incidents has, actively pursued, attacked, bitten or otherwise caused a less severe injury than a "substantial injury" (as defined in this section), to another person or animal engaged in a lawful activity;
2. Any animal which has once attacked, bitten, or otherwise caused injury to a person or animal engaged in lawful activity, resulting in death or substantial injury;
3. Any animal which has been previously declared a potentially dangerous animal and the owner/custodian has failed to restrain the animal as so directed; or
4. Any dog which has been declared a "potentially dangerous dog" as defined by California State Law during any legal hearing process.

"Potentially dangerous animal" means:

1. Any animal which has once actively pursued, attacked, bitten, or otherwise caused a less severe injury than a "substantial injury" (as defined in this section), to another person engaged in a lawful activity.
2. Any animal which has once attacked, bitten, or otherwise caused a less severe injury than a "substantial injury" (as defined in this section), to another animal.
3. Any animal which is found actively pursuing livestock, poultry, dogs, cats or animals as defined in Ordinance 534.

"Substantial injury" means a substantial impairment of the physical condition of a person or animal which requires professional medical treatment, including, but not limited to, loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; muscle tears, disfiguring lacerations, punctures, or a wound requiring multiple sutures; or any injury requiring corrective or cosmetic surgery.

"Secure enclosure" means a fence or structure suitable to prevent the entry of young children or any part thereof, and which is suitable to confine a potentially dangerous, or dangerous animal in conjunction with other measures which may be taken by the owner or keeper of the animal, or at the direction of the animal services manager. The enclosure shall be designed to prevent the animal from escaping and from preventing an adult or child from coming in contact with the animal. (A chain where a person can walk within the length of the chain, or an electric collar or invisible fence is not a sufficient restraint or enclosure.)

"Vicious dog" means:

1. Any dog seized under Section 599a of the Penal Code and upon the sustaining of a conviction of the owner or keeper under subdivision (a) of Section 597.5 of the Penal Code.
2. Any dog which, when unprovoked, in an aggressive manner, inflicts injury on or kills a human being or animal.
3. Any dog previously determined to be and currently listed as a potentially dangerous dog which after its owner or keeper has been notified of this determination, continues the behavior described in Section 31602 of the Food and Agricultural Code or is maintained in violation of Section 31641, 31642 or 31643 of the Food and Agricultural Code. (Ord. 771 § 2, 1999)

6.16.030 Administrative restraint order for potentially dangerous animals.

A. If the division of animal control has cause to believe that an animal is a potentially dangerous animal, the animal services manager/designee shall issue a potentially dangerous animal restraint order to the owner(s) or custodian(s) of any such dog or animal that fits the description described in this chapter, of a potentially dangerous animal. The statement shall be served by hand-delivery or certified and first-class mail. The statement shall notify the owner(s) or custodian(s) of such animal(s) that such owner(s) custodian(s) is/are required thereafter at all times to keep such animal(s) in a secure enclosure or provide such other adequate secure restraint as may be specified on the restraint order.

B. An owner(s)/custodian(s) of an animal(s) receiving a potentially dangerous animal restraint order may request a hearing on the order by a hearing officer selected by the department director. The request for a hearing must be submitted in writing, during the ten (10) calendar days following the service of the order. Pending such hearing, the animal must be kept in a secure enclosure or adequately restrained as specified in the restraint order.

C. Failure of the owner(s)/keeper(s) to request a hearing on the restraint order within the ten (10) day period, or failure to attend or be represented at a scheduled hearing, shall constitute a waiver of the right to a hearing and shall satisfy the hearing requirements provided herein.

D. All hearings pursuant to subsection B of this section shall be conducted by the hearing officer who shall not have been directly involved in the subject action. Hearings shall be held not more than ten (10) working days from the date of receipt of the request for the hearing and shall be conducted in an informal manner consistent with due process of law. A hearing may be continued for a period of time not to exceed thirty (30) days if the hearing officer deems such continuance to be necessary and proper. Within ten (10) days after the conclusion of the hearing, the hearing officer shall render, in writing, his or her findings, decision and order thereon and shall give notice of the findings, decision and order to the owner or custodian of the subject animal; service of such notice shall be by mail or hand delivery.

E. Costs for successful enforcement of this section shall be recouped from the animal's owner or custodian pursuant to Ordinance 630, Section 21.

F. An animal which as been determined to be a potentially dangerous animal following the conclusion of the process described in subsections A through D of this section shall be added to a list of potentially dangerous animals maintained by the division of animal control. Once an animal has been determined to be a potentially dangerous animal, if there are no additional instances of the behavior described in Section 6.16.020(D) within a forty-eight (48) month period from the date of the restraint order, the animal may be removed from the list of potentially dangerous animals by the animal services manager/designee. (Ord. 771 § 3, 1999)

6.16.040 Impoundment and abatement of dangerous animals.

The division of animal control is authorized and empowered to impound and/or abate (destroy) any dangerous animal as a public nuisance independently of any criminal prosecution or the results thereof by any means reasonably necessary to protect the

health, safety and welfare of the public including, but not limited to, the imposition upon the owner and/or custodian of specific, reasonable restrictions and conditions for the maintenance of the animal. In carrying out an abatement, the division shall follow the procedure established in Ordinance 630, Section 224. Restrictions and/or conditions resulting from abatement proceedings may include, but are not limited to the following:

- A. Requiring the owner of the animal, possessor of the animal or owner of the premises on which the animal is kept to obtain and maintain liability insurance in the amount of one hundred thousand dollars (\$100,000.00) and to furnish a certificate or proof of insurance by which the division shall be notified at least thirty (30) calendar days prior to cancellation or nonrenewal;
- B. Requirements as to the size, construction and design of structured enclosure for the animal;
- C. Location of the animal's residence including prior notice of plans to move the animal to another location or to a location outside of Riverside County and obtaining approval from the division of animal control to do so after proper notification of animal regulation in the new jurisdiction;

(Ord. 771 § 5, 1999)

6.16.060 Change of ownership, custody and/or location of animal.

- A. The owner and/or custodian of an animal that is on restriction as above provided and who moves or sells the animal(s), or otherwise transfers the ownership, custody or location of the animals(s), shall, at least fifteen (15) days prior to the actual transfer or

removal of the animal, notify the division of animal control in writing of the name, address and telephone number of the proposed, new owner or custodian, and/or the proposed, new location of the animal, and the name and description of the animal(s). The division may prohibit the proposed relocation for cause.

B. The owner and/or custodian shall, in addition to the above, notify any new owner or custodian in writing regarding the details of the animal's record, and the terms and conditions for confinement and control of the animal. The transferring owner and/or custodian shall also provide the division with a copy of the notification to the new owner or custodian containing an acknowledgment by the new owner or custodian of his or her receipt of the original notification and acceptance of the terms and conditions. The division may impose different or additional restrictions or conditions upon the new owner or custodian.

C. If the animal should die, the owner and/or custodian shall notify the division no later than twenty-four (24) hours thereafter and, upon request, from the division shall produce the animal(s) for verification. If the animal escapes, the owner and/or custodian shall immediately notify the division and make every reasonable effort to recapture the escaped animal.

D. An animal that has been declared dangerous or vicious in any legal hearing, as a result of aggressive behavior, outside the confines of Riverside County, may not be relocated in Riverside County.

E. Any person who violates any provision of this section is guilty of an infraction or misdemeanor, if charged. (Ord. 771 § 6, 1999)

6.16.070 Possession unlawful without adequate restraint.

It is unlawful for a person to have the custody of or own or possess an animal that is restricted as above provided, unless the animal continues to be restrained or confined to prevent it from being at large or from causing damage to any property or injury to any person or other animal. Any person who violates any imposed restriction is guilty of misdemeanor. (Ord. 771 § 7, 1999)

6.16.080 Surrender of animal upon demand.

The owner and/or custodian of any animal on restriction who is in violation of Section 6.16.070 shall surrender such animal to the division of animal control upon demand. (Ord. 771 § 8, 1999)

6.16.090 Hearing procedures and charges.

Charges for hearing procedures and costs of confinement at a shelter associated with enforcement under this Ordinance shall be recovered from the animal's owner or custodian as per Sections 21 and 22 of Ordinance 630. (Ord. 771 § 9, 1999)

6.16.100 Exclusions.

This chapter does not apply to dogs while utilized by any police department or any law enforcement officer in the performance of police work. (Ord. 771 § 10, 1999)

6.16.110 Court proceedings.

Nothing in this chapter shall prevent the Riverside County division of animal control or any other party from commencing and maintaining court proceedings for the restriction or destruction of any animal as authorized under Food and Agricultural Code Section 31601 et seq. (Ord. 771 § 11, 1999)
